Old Testament Characters and Christian Mission in Multi-Faith Britain

Five Creative Bible Studies led by the Revd Jay MacLeod

Whether as workmates, neighbours, acquaintances or friends, many of us come into contact with people of other faiths. Indeed, all of us have 'virtual' contact via our television or computer screens. Yet we seldom reflect theologically on our posture toward other religions. This course will use Old Testament stories (which emerged from multi-faith contexts every bit as challenging as our own) to help participants grapple with inter faith issues. No previous experience or study is required. In fact, these bible studies probably work best when people come to them 'fresh'. Bible study can be exciting and fun, and this course aims to be something of an adventure.
