FILMS BY STUDENTS FOR STUDENTS

- *EXODUS 20* is a video-based series of lessons which looks at each of the 10 Commandments.
- 10 schools were each given one Commandment, and asked to retell what the Commandment meant to them.
- A professional film-maker worked with the children to refine the scripts and act out the stories.
- These truly are the **10 Commandments as understood by students, like yours.**

LESSONS BY TEACHERS FOR TEACHERS

- Each film has a corresponding lesson plan, specifically written for RE lessons.
- Each lesson-plan has been written by a practising teacher and the film and material have been classroom tested.
- Curriculum guidance is given on how to quickly adapt each lesson for PSHE and Citizenship classes, plus there are helpful tips on using the film clips in Collective Worship.
